

INDOOR MATURE 27

For the well-being of cats over the age of 10 living indoors.

Helps maintain health in the older cat

Helps to maintain health of cells with age thanks to a combination of antioxidants (vitamins E & C, grape and green tea polyphenols). Reduced levels of phosphorus and sodium help to support kidney function, while the combination of glucosamine, chondroitin and Omega 3 fatty acids (EPA/DHA) helps promote healthy joint function.

Reduces faecal smell

Thanks to a high L.I.P.* protein content (90% digestibility) selected for its high level of assimilation which reduces fermentable residues in the intestine.

Sensitive teeth and gums

Adapted to the teeth of cats over the age of 10, with softer and more palatable kibbles to make up for any loss of appetite.

Recommended daily quantities (g)

Your cat's weight (kg)	Thin	Ideal weight	Overweight
	- Food (in g/day) -		
3kg	55	40	
4kg	70	55	45
5kg	90	70	60
6kg	110	85	70
7kg		100	80

Ingredients

Dehydrated poultry meat, maize flour, barley, wheat, vegetable protein isolate L.I.P.*, maize, animal fats, maize gluten, hydrolysed animal proteins, vegetable fibres, beet pulp, minerals, vegetable oils (soya and borage), fish oil, egg powder; fructo-oligo-saccharides, sodium phosphate, psyllium husks and seeds, yeasts, L-lysine, DL-methionine, green tea and grape extracts (source of polyphenols), taurine, potassium citrate, hydrolysed crustaceans (source of glucosamine), L-carnitine, hydrolysed cartilage (source of chondroitin).
* L.I.P.: protein selected for its very high level of assimilation
